A Busby family have been honoured with an invitation from Langholm Town Council to the Freedom Ceremony for Astronaut NEIL ARMSTRONG. They are MR. MRS GEORGE ARMSTRONG WALKER who have a daughter GINA aged 17 and JOHN aged 14.

The invitation is a result of a letter almost 3 years ago from GEORGE to Langholm Town Council suggesting that they should invite NEIL ARMSTRONG as Langholm is considered the home of the Armstrongs.

The Town Clerk is MR EDWARD C. ARMSTRONG, naturally he was enthusiastic about the idea.

George tells me he is very proud of his Langholm connections, his late mother MRS GEORGINA ~~WALKER~~ ARMSTRONG WALKER was born in Langholm, but came to Glasgow during the depression in the Tweed mills, but after her marriage she always took the family back to Langholm for the summer holidays, and always at the time of the Common Riding at the end of July.
